

**California Appliance Efficiency Program
2010 Consumer Electronics Test Laboratory Application**

This is a PDF fillable form. You may complete it on line or print it out and complete it off line. After it has been signed, you may scan and return it as an e-mail attachment to appliances@energy.state.ca.us, or return it via mail to:

Appliance Efficiency Program
2010 Consumer Electronics Lab App: <Company Name>
California Energy Commission
1516 Ninth Street, MS-25
Sacramento, CA 95814-5512

PLEASE ALSO NOTE THAT:

- Applications that have been re-typed in your own format WILL NOT be accepted.
- It is not necessary, and may delay processing of your application, to submit both an email and a mailed application
- This application must specify the physical address of the location that will be conducting testing.
- Please allow at least four weeks during the heavy renewal period (November-March) before contacting us regarding your application.

	<input type="checkbox"/> Energy Efficiency Battery Charger System Test Procedure Version 2.2, dated November 12, 2008, published by ECOS and EPRI Solutions

CKC Laboratories, Inc.

states:

Name of Laboratory

[Initial all appropriate paragraphs]

SB It has conducted tests using the applicable test method specified above within the previous 12 months;

SB It agrees to and does interpret and apply the applicable test method set forth in Section 1604 precisely as written;

SB It has, and keeps properly calibrated and maintained, all equipment, material, and facilities necessary to apply the applicable test method precisely as written;

SB It agrees to and does maintain copies of all test reports, and provides any such report to the Executive Director on request, for all basic models that are still in commercial production;

SB It agrees to and does allow the Executive Director to witness any test of such an appliance on request, up to once per calendar year for each basic model; and

SB It agrees to, and will follow, all applicable provisions of the California Energy Commission's Appliance Regulations (Section 1601 – 1608 of Title 20 of the California Code of Regulations), in carrying out all testing pursuant to this application.

I declare under penalty of perjury of the laws of the State of California, that:

All the information in this statement is true, complete, accurate, and in compliance with all applicable provisions of Sections 1601 – 1608 of Title 20 of the California Code of Regulations; and

I am authorized to make this declaration, and to file this application, on behalf of

CKC Laboratories, Inc.

Name of Laboratory

Signature: Steve Behm Date: 6/15/2010

Typed Name and Title: Steve Behm, Director of Engineering Services

SPACE BELOW THIS LINE FOR CALIFORNIA ENERGY COMMISSION USE ONLY

The laboratory identified above is hereby approved for testing in compliance with the requirements of the *Appliance Efficiency Regulations* from the date shown until December 31, 2010.
